

Participants invited UBE CITY

WASTE MANAGEMENT TOUR

Let's Learn about Everyday Waste Management ! International Exchange & Environmental Learning Tour "Understanding the Differences between General Waste and Medical Waste, and How They are Handled"

We are pleased to announce an environmental learning tour aimed at deepening understanding of both general and medical waste generated in Ube City. Participants will visit related municipal facilities, University Hospital, and a private company to learn about waste management systems and treatment methods. This is also a valuable opportunity to promote cultural exchange between international students/staff, local students, and Ube residents.

Date & Time: Tuesday, September 30, 2025 — 8:30 AM to 5:00 PM

Participation fee : Free

An English–Japanese interpreter will accompany us.

Tour Destinations: Ube City Environmental Conservation Center (Recycle Plaza and Incineration Facility)
Yamaguchi University Hospital, Kyoei Steel Ltd.

Participants: Up to 20 people in total: 10 international students/staff and 10 local citizens/students

Note: If foreign family members wish to participate, please contact us in advance.

Gathering Points:

8:30 AM: The front entrance of Faculty of Engineering , Yamaguchi University (*Please note: Private cars cannot be parked on campus*)

8:45 AM: "Daigakubyuinmae" Bus Stop, located near Yamaguchi University Hospital

8:55 AM: "Shiyakushomae" Bus Stop (former building), Ube city hall front

Lunch: At Onoda Sunpark — Participants are asked to arrange their own meals.

Organizer: Ube International Environmental Cooperation Association (UBE IECA)

Supported by: Ube City

This project is funded by the Yamaguchi International Exchange Association.

How to Apply: Please use the QR code provided in the flyer to register.

Alternatively, send an email or fax to the Ube International Environmental Cooperation Association.
